

PEPPERBALL HOST AGENCY PACKET

We appreciate your interest in hosting a PepperBall class for us!

We plan for a minimum of ten paying students in each class. Typically we have 15 – 25 students. For your efforts in hosting and helping to advertise the class, we offer you two free seats in the class. For larger classes, we often allow additional free seats for our host agency.

CLASSROOM REQUIREMENTS:

- TV/DVD and whiteboard or blackboard
- LCD Projector / Power Point Equipment
- One 80 cubic foot SCUBA tank for every 20 students filled to 3000 psi. Please be sure the tank has a “K” valve. We cannot use a tank with a “DIN” valve.
- Course of fire shoot with targets set up to 60 feet. A formal firearms range, parking lot, back lot of building are all good options.

SETTING UP THE CLASS:

Once the agency confirms a date with PepperBall, a hosting package will be sent to the host agency. Once received back, a flyer of information for the class will be prepared and sent to the host agency. This may be helpful in your efforts to advertise the class to local agencies. The class will then be advertised on the training calendar on PepperBall’s website.

A trainer is assigned to the class and will contact the host agency to discuss the plan for the class.

All registrations take place on our website or by contacting the sales office in San Diego. The host agency is not responsible for registrations or collecting class fees.

FEES:

Two-Day Instructor/Armorer Class \$395/person (All Classes **2-For-1** in 2011!)

One – Day Instructor or Armorer Class \$225/person

Bonus: Host agency receives (1)Jar of 375ct. Inert training rounds for EACH new agency that attends the class.
